This culinary calendar allows even the biggest sweet tooth guilt free indulgence all year long.

SUNFLOWERS

Suggested Retail: £9.99 UK / Stock Code: 1901085

While its seeds make a delightful snack and a remarkably useful oil, the blossom of the sunflower is more a feast for the eyes. Native to the North American continent and immortalised in a series of Vincent van Gogh paintings, the sunflower is adored for its fulsome yellow-rayed flower and faithful following of the sun.
