Once again, BrownTrout offers an extensive collection of wall calendars and daily, weekly and monthly planners, plus brand new formats, in our 2020 Calendar Collection. For the first time, BrownTrout are offering exclusive planning products from Pantone™, FranklinCovey®, House of Turnowsky and other brand leaders.

Digital overload is driving millennials – and other organisation-inclined individuals – to return to traditional paper planners, calendars and journals. The world has found that paper-based products stand tall as an alternative, and even creative method of planning life, scheduling events, tracking appointments, bulleting details, making lists and recording thoughts and ideas.

BrownTrout Publishers Ltd., are proud to be a part of the Brown Trout group of companies, who between them are unarguably the largest publishers and distributors of wall calendars in the world.

Reflecting reliability, quality and world-class standards, FranklinCovey and Pantone are preeminent brands in their respective markets. Pantone continues to be the industry standard through their unrivalled reputation in colour trends, while FranklinCovey remains the original leader in the organiser and planner market. BrownTrout is proud to continue our partnership with both of these outstanding brands.

From our humble beginning in 1986 in Salt Lake City, Utah and then 20 years ago here in the UK, BrownTrout has consistently stayed an international brand and leader in dated and organisational products. Our 30+ years of experience and commitment to bringing you the best are what fuels our drive to be a leader in our industry.
